Charm Courses Begin Monday At Broadway

The new series of charm courses, designed to teach local sub-teens and teens the essentials of good grooming and basic beauty techniques of fashion models, will start Monday at The Broadway Del Amo.

The six one-hour lessons are adapted to two age groups: a Hi-Charmer course for girls between the ages of 10 and 13, and a Beauty Workshop for girls between the ages of 14 and 18. While emphasis differs according to age group, both courses cover such beauty basics as improving posture and health, correcting figure faults, caring for problem skin, applying make-up properly, caring for and styling the hair, coordinating a wardrobe, and tips on special beauty problems. Both courses are taught by Miss Jan Hodgson, a qualified beauty consultant and charm school instructor.

Relationship Of Man, God Lesson Topic

Man's inseparable relationship to his creator will be emphasized at Christian Science church services today. Subject of the Lesson-Sermon is "God."

Golden Text: "Behold, the tabernacle of God is with men, and he will dwell with them, and they shall be his people, and God himself shall be with them, and be their God."

Readings will include this passage from "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The Divine Being must be reflected by man, —else man is not the image and likeness of the patient, tender, and true, the One 'altogether lovely'; but to understand God is the work of eternity, and demands absolute consecration of thought, energy, and desire."

Speed and Fog Spell Danger

Fast driving accounts for the majority of fog automobile accidents, according to the Greater Los Angeles Chapter, National Safety Council. When visibility is limited, drivers are urged to pace their speed proportionately for self protection and protection of others.
